

75th Annual Sale

Chisholm Trail Angus Association

March 20, 2026 Winfield, Kansas

A Look Back

In 1950, Elmer Johnson of Caldwell, KS, a well-established Angus breeder, went to the J. Garret Tolan Angus Farm in Pleasant Plains, Ill. Elmer purchased Elieenmere 1080, a son of Eileenmere 500.

As a dedicated Angus breeder, Elmer was determined to establish an annual sale in the area. He asked Don Morton of Conway Springs, KS, and Lewis Neal of Caldwell, KS, to help contact Angus breeders within no more than a forty-mile radius of Caldwell. Elmer furnished the car to make the herd visits, and the three contacted breeders to see if they would be in favor of the sale. This group became the Chisholm Trail Angus Association, and they held their first sale in February 1951, with Elmer, Lewis, and Don acting as sale managers.

For a few years, the sale was held in a community building in Caldwell and later moved to the Clifford & Clarence Williams sale barn and facilities just East of Caldwell. With the establishment of the sale, association officers were elected, and Elmer was President, Lewis was Vice President, and Don acted as Secretary. Some of the early consigners were: Clinton Bermear, Renfrow, OK; CE Crosslin & Homer Johnson of Deer Creek, OK; Wendell Davis, Norwich, KS; Richard Johnson, Caldwell, KS; Robert Goodin, Derby, KS; RD Harrington, McQuillan Farms; HR Wilk, Clearwater, KS; Harry Hunt, Thaine Hune, and Robert McLain, Wellington, KS; Elmer Johnson, Eugene Neal, Lewis Neal, Clarence Peck, Lewis M. Neal, Jr., Carl Schmidt, Lawrence Schmidt, and James Smith, all from Caldwell, KS; McCurry Bros, Mt. Hope, KS; Sidney Sanders, Harper, KS; Don Morton, Tim Shinn, and Phil Steffen, all from Conway Springs, KS; Fred Holder and George Wille of Milan, KS.

Col. Ray Sims of Belton, MO, served as auctioneer for many years. Fieldman included: Jess Cooper, American Angus Assoc.; EH (Red) Anderson, Angus Journal; Claude Willett & Wally Gladish, Daily Drivers Telegram; George Fritz, Kansas Stockman; Malcom Maris, Ranchman; Emmett Shank, Phill Ljungdahl, Danny Fanning, Kansas Angus Assoc.; and Fred Holder were always available to help out.

Welcome

We appreciate your interest in the 75th Annual Bull Sale of the Chisholm Trail Angus Association and invite you to join us on March 20, 2026, at the Winfield Livestock Auction in Winfield, Kansas.

Seventy-five years ago, a handful of dedicated Angus breeders came together with a shared vision – to provide quality genetics and serve cattlemen across southern Kansas and northern Oklahoma. What began in a community building in Caldwell has grown into a legacy spanning three-quarters of a century. Our consignors have proudly served the needs of commercial cattlemen across the Midwest, with expertise refined and passed down through decades of dedicated Angus breeding. This year's offering of 48 registered Angus bulls from operations across eastern and central Kansas continues that tradition.

These bulls represent the cornerstone of commercial success, featuring strong sire characteristics and diverse genetic profiles that drive real-world performance in production-focused herds. Their pedigrees showcase generations of proven Angus genetics, delivering what commercial cattlemen demand in the field and on paper. We've built our reputation on providing bulls that work as hard as the ranchers who buy them – cattlemen serving cattlemen, just as our founders envisioned 75 years ago.

We hope to see you at the sale on March 20. Lunch will begin at 11:30 a.m. with viewing opportunities before. The sale will commence at 1:00 p.m. If there is further info we can provide, please don't hesitate to reach out.

MAKE YOUR CATTLE STAND OUT

You've made a significant investment in your genetics, but does the market recognize that? Stand out by differentiating our cattle with AngusLinkSM programs: the Genetic Merit ScorecardSM and AngusVerifiedSM.

The Genetic Merit Scorecard gives buyers the confidence they need to pay more for your quality calves.

AngusVerified validates your calves are sired by registered Angus bulls and make your cattle stand apart from other black hides on sale day.

Users of AngusLink programs earn **\$13-15/CWT PREMIUMS** on average. Give us a call, and learn how to claim your competitive edge with AngusLink value-added programs.

The Genetic Merit Scorecard and AngusVerified are administered by IMI Global.
